PRESENTED BY THE

**Senior Class of
OUACHITA PARISH HIGH SCHOOL**

MONROE, LOUISIANA

here was an old woman
Who lived in a shoe.
She had so many children
She didn't know what to do."

So she sent them to school
To learn all they could
To take part in activities
And try to be good.

Each upon his arrival,
To a homeroom was sent,
In hopes he'd have a desk
Wherever he went.

When an assembly was held
They were all quite gay
For this meant shorter classes
And a much more pleasant day.

All the dear children
 Soon learned how to read.
 And they found in their library
 Books to fill every need.

They strolled to a large room
 That was called "study hall."
 Where they were told to work
 And not to play at all.

Foreword

Ouachita, like "the old woman who lived in a shoe," also has so many children she doesn't know what to do. The present building, completed in 1924 to accomodate 550 students, has had several additions, for there was no way 30 years ago to anticipate an enrollment of 1,700.

In addition to learning "readin', 'riting', and 'rithmetic," many of the 1,700 students devote part of their time to the numerous extra-curricular activities which have become a vital part of our school life.

The 1953 Roarer has been designed to reflect, as completely as possible, our varied pupil activity program.

Dedication

A sincere interest in her classroom work, an unswerving loyalty to the interests of Ouachita, and a rare sense of humor, which has endeared her to her students, are but a few of the admirable traits which inspired the Senior Class of 1953 to dedicate this Roarer to Miss Mabel Lann.

PRINCIPALS

I. C. STRICKLAND
PRINCIPAL

A friendly smile from our principal, Mr. Strickland, often greets us as we enter the building in the morning. His gentle, calm manner, his sincere love for young people, and his fairness in all dealings with them make him the ideal principal for a large school like Ouachita.

S. R. BRALEY
ASSISTANT PRINCIPAL

Mr. Braley, our efficient, untiring assistant principal, is a valuable asset to Ouachita.

Not only does he show a keen interest in all school activities, but he possesses an outstanding ability to understand students and their problems, which has won him the respect and admiration of the entire school.

STAFF MEMBERS

MRS. WILLIE MAE WAFER

Since much of our school life centers around the office, we often call upon Mrs. Wafer, our friendly, efficient office secretary, to help us. In her two years at Ouachita, Mrs. Wafer has proven her willingness to help and her desire to co-operate with all school activities.

MRS. MARIE FRAZIER

The good, wholesome meals served in our school cafeteria each day are prepared under the supervision of our expert dietitian, Mrs. Frazier. Assisted by a capable staff, Mrs. Frazier prepares and serves meals to approximately 1400 students in a period of an hour and a half.

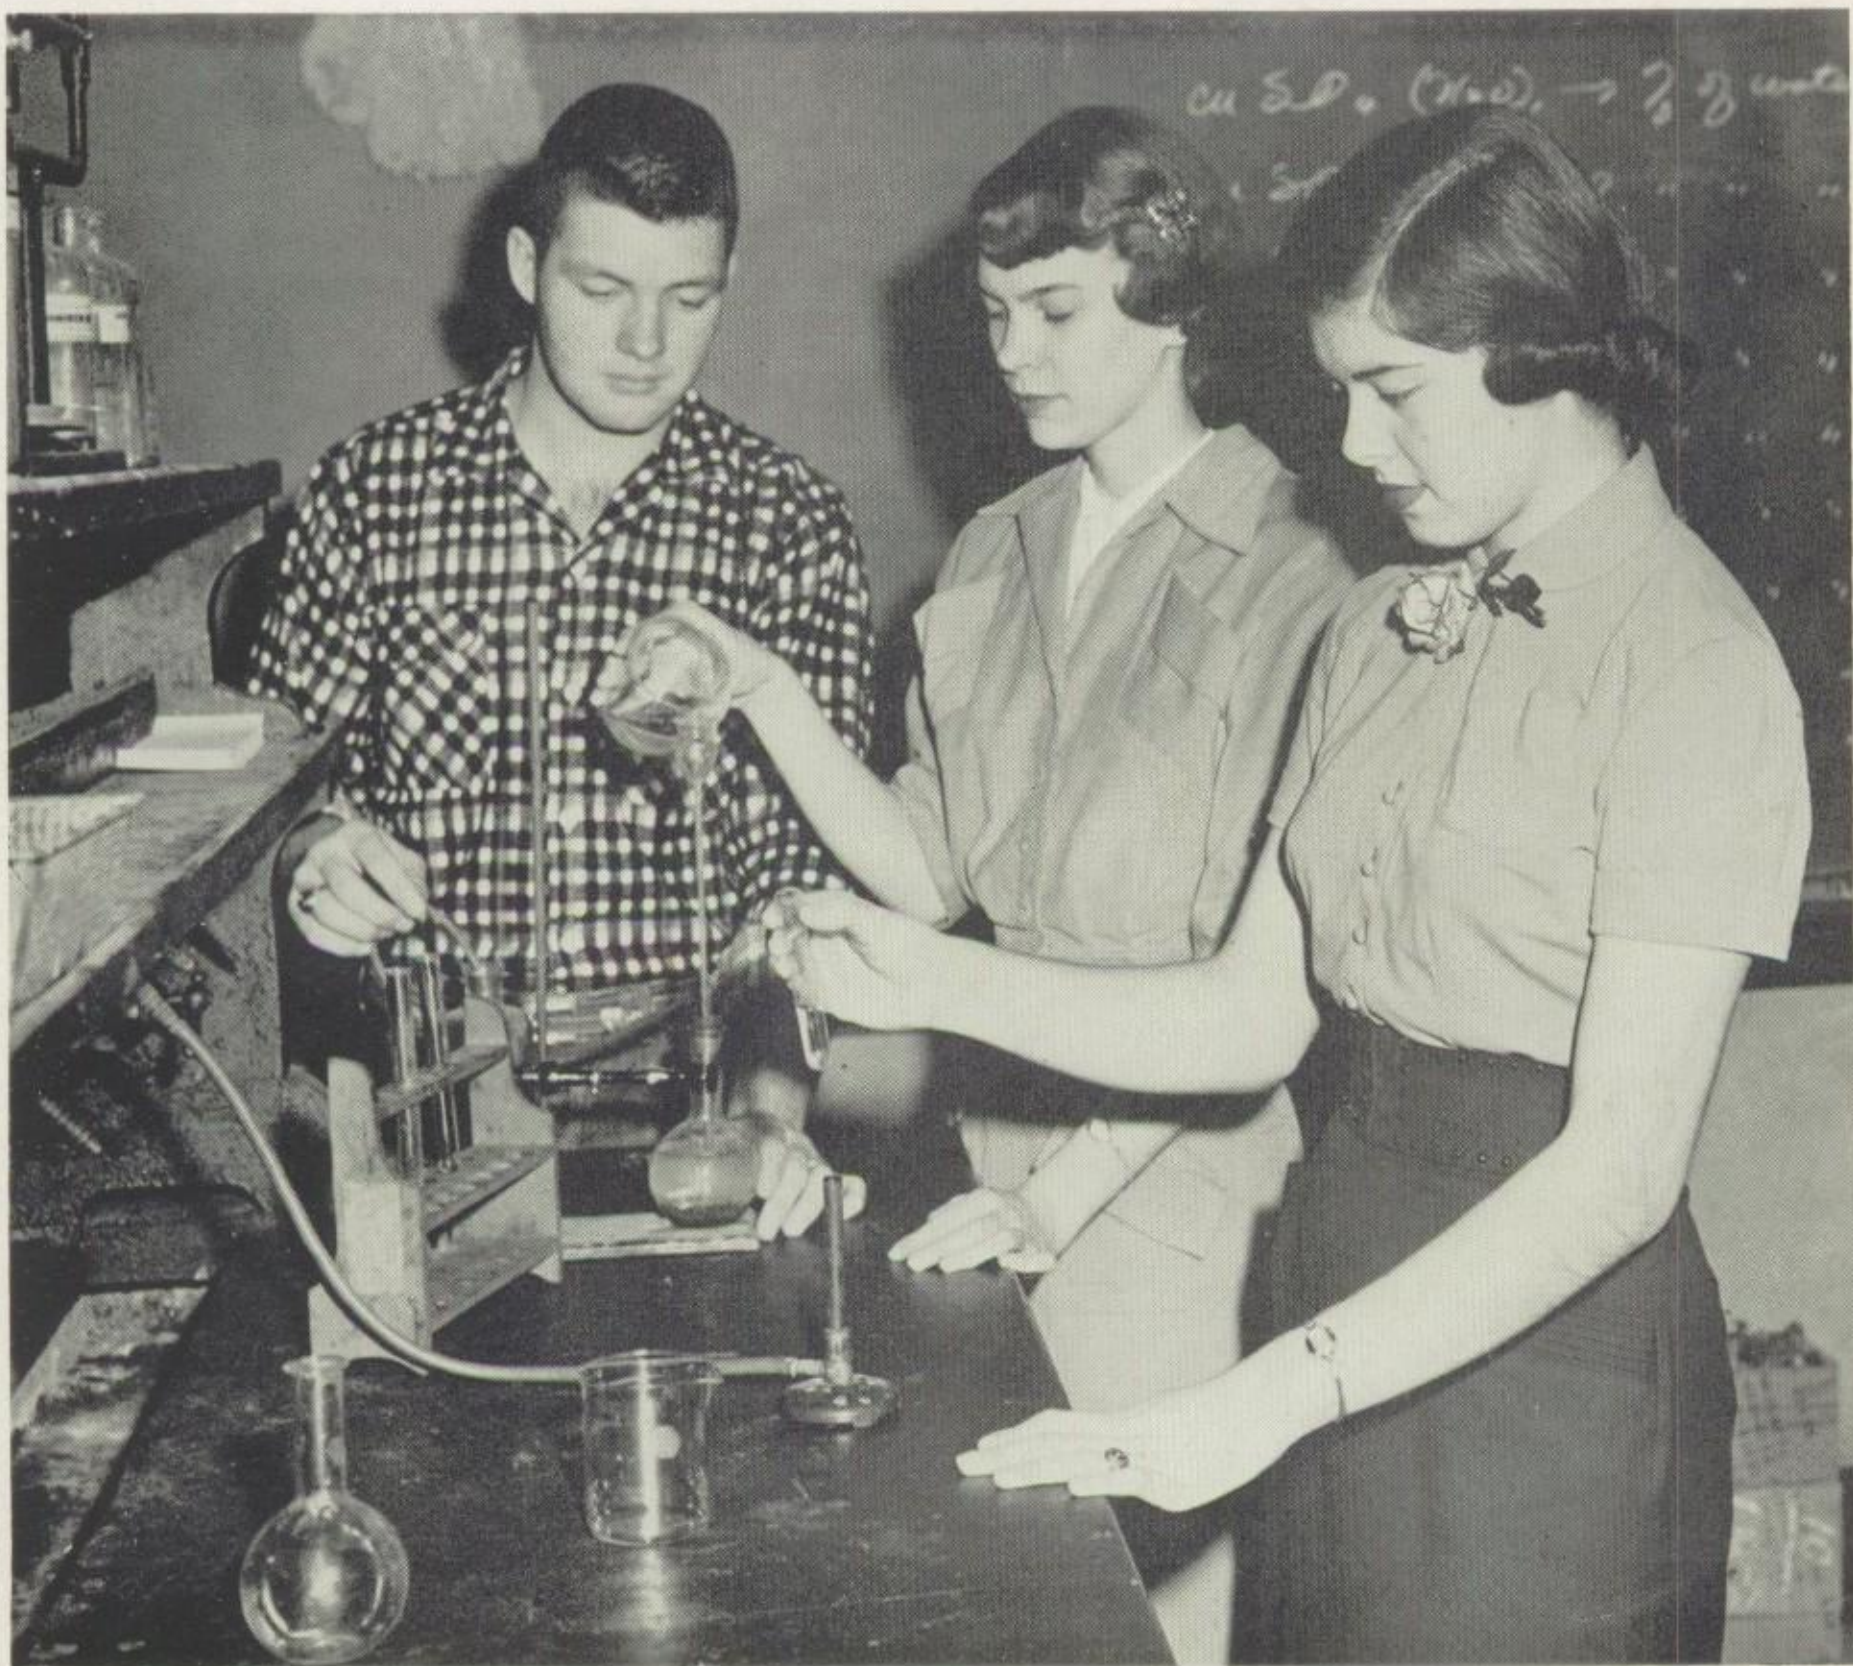

MRS. PEARL REYNOLDS

Mrs. Reynolds, school nurse, is in charge of the clinic at O.P.H.S. When students need treatment for minor illnesses or scratches and bruises, she is always on hand to minister to them. In addition to giving us physical aid, Mrs. Reynolds also gives our spirits a lift with her cheerful personality.

FOOTBALL SEASON

The Ouachita Parish High School Lions, playing one of the longest schedules in recent years, were winners in four of eleven contests played in the 1952 season. With an offense that rolled up a season total of 201 points to their opponents' 170, Coach Jim Hodgin's Lions played a schedule that included some of the top teams in Louisiana and Arkansas.

The close scores in many of the games showed the fierceness of the competition, as the Ouachita team proved it could hold its own with the best.

An added attraction this year was the renewal of competition with Neville High School. The game, which was played before nearly seven thousand fans, proved to be one of the best of the year. In a hard fought battle Neville emerged the winner 14 to 6. Lion halfback Frank Mobley received a wrist-watch for sportsmanship and ability shown in the game.

At the end of the season the team was entertained by the Lionettes at the annual banquet. The highlight of the program was the presentation of trophies to outstanding players. Those honored were: Jimmy Berry, best lineman; Jerry Sikes, best sportsman; and Frank Mobley, best all-round player.

MANAGERS

Shown below are Norman Goza and Frank Mobley as they stop Ruston's Barham in a game which saw Ruston upset the favored Lions 34 to 7.

The Lions, playing superb ball, rolled over the Haynesville Golden Tornado by a score of 27 to 14. Below is Frank Mobley as he rambles on for six more points.

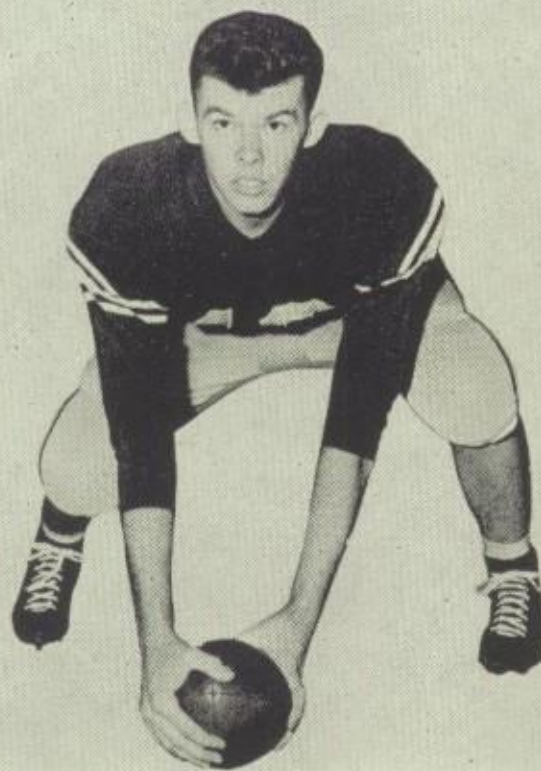

Top: Frank Mobley, halfback; Jerry Sikes, quarterback; Jimmy Berry, guard; W. D. Perkins, fullback. Center: Bobby LaCaze, guard; Lytle Matkins, center; Bottom: Norman Goza, halfback; Elvis Sout, end; Ralph Bailey, end; Doyle Holstead, center.

Lettermen

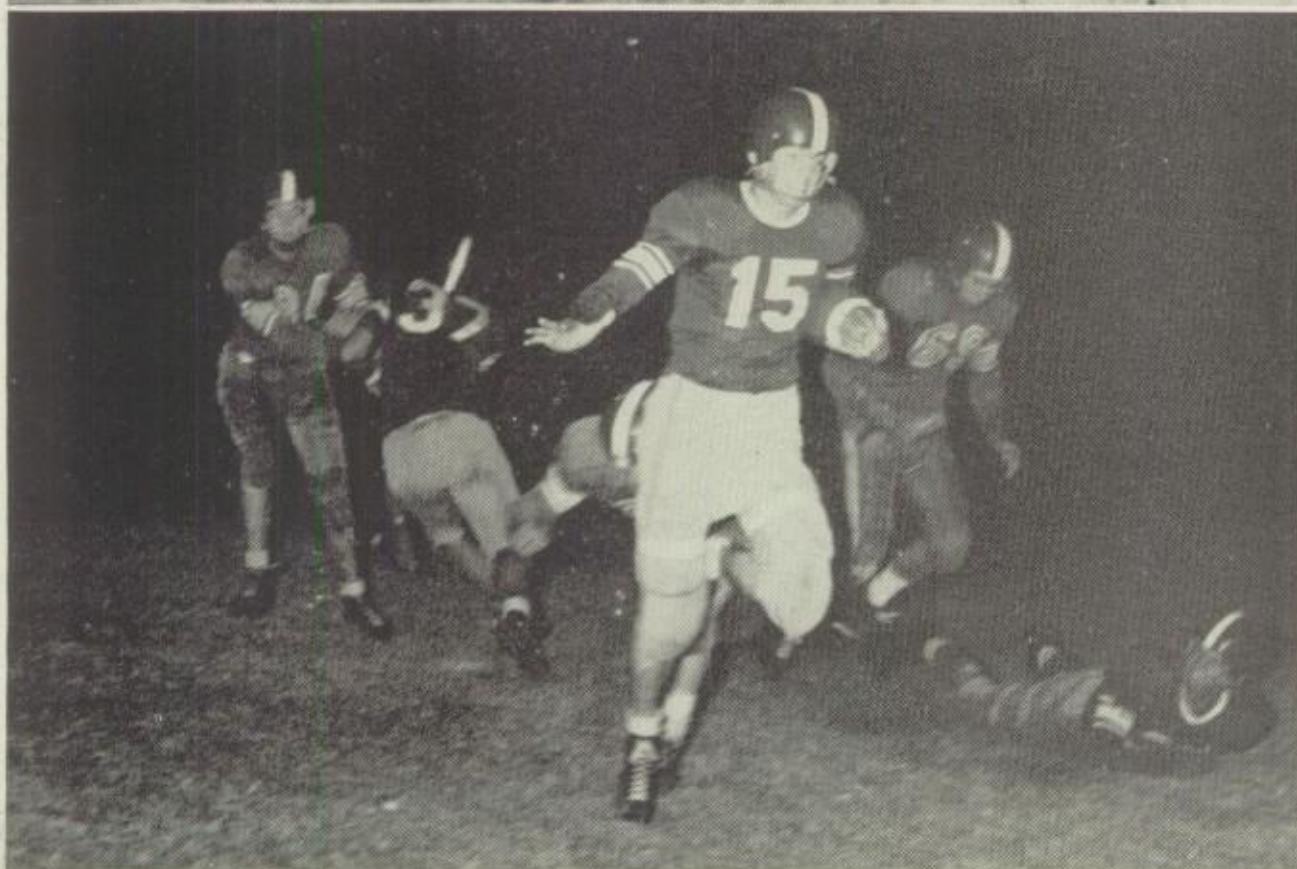

Top: Rodney Cannon, tackle; Charles Greer, quarterback; Ed Estep, end; Bob Adcock, guard. Center: Ike McMullen, fullback. Bottom: Larry Barnes, end; Paul Fleming, tackle; Charles Puckett, center; Delbert Wheeler, guard.

LIONS IN ACTION

The O. P. H. S. Lions, showing a potentially great offensive and a formidable defense, smashed the Homer Pelicans to the tune of 48 to 14. At the right is Frank Mobley, as he breaks loose for one of three touchdowns he chalked up that night.

Renewing football rivalry, the Lion and Tiger grid machines battled to a scoreless first half. The Neville Tigers then roared back in the second half to score two touchdowns to the Lions' one, giving them a 14 to 6 victory. Shown at the left is Jerry Sikes, Lion quarterback, as he gets off on a heartbreaking touchdown jaunt that was called back.

Avenging the 33 to 0 setback of last year, the Lions rolled over the Bossier City Bearkats 32 to 0, lacking one point reversing the score by which they were defeated. Shown here is Norman Goza, Lion halfback, as he smashes off tackle to score.

FRESHMAN FOOTBALL

The freshman football squad, under the direction of Coach Ray George, won only one game, while dropping three during the past season. The cub offense gathered a total of 48 points to their opponents' 71.

In spite of the percentage of losses, the team showed promise, as they gained valuable knowledge and experience. Many of the boys showed capabilities of varsity play, and much can be expected from them during the remainder of their high school years.

Seated: O'Neil, manager.

Row 1, left to right: Thurman, Hunt, Watson, Culpepper, Willis, Vaughn, B. Smith, Coach George.

J. C. Johnson, Track Coach

TRACK

TRACK SCHEDULE FOR 1953

March 14	Byrd Relays at Byrd
March 21	Bastrop at Monroe
March 28	Northwestern Relays at Natchitoches
April 4	Haynesville Invitational Meet at Haynesville
April 10	Tri-Meet — Bastrop and Haynesville
April 18	Tri-State Meet at Shreveport
April 24-25	District Rally at Natchitoches

Coach Johnny Johnson, in his second year as track coach, was very satisfied with the showing made by his team during the 1952 season. Competing in numerous rallies over the state, the Lions made a reputable showing wherever they appeared.

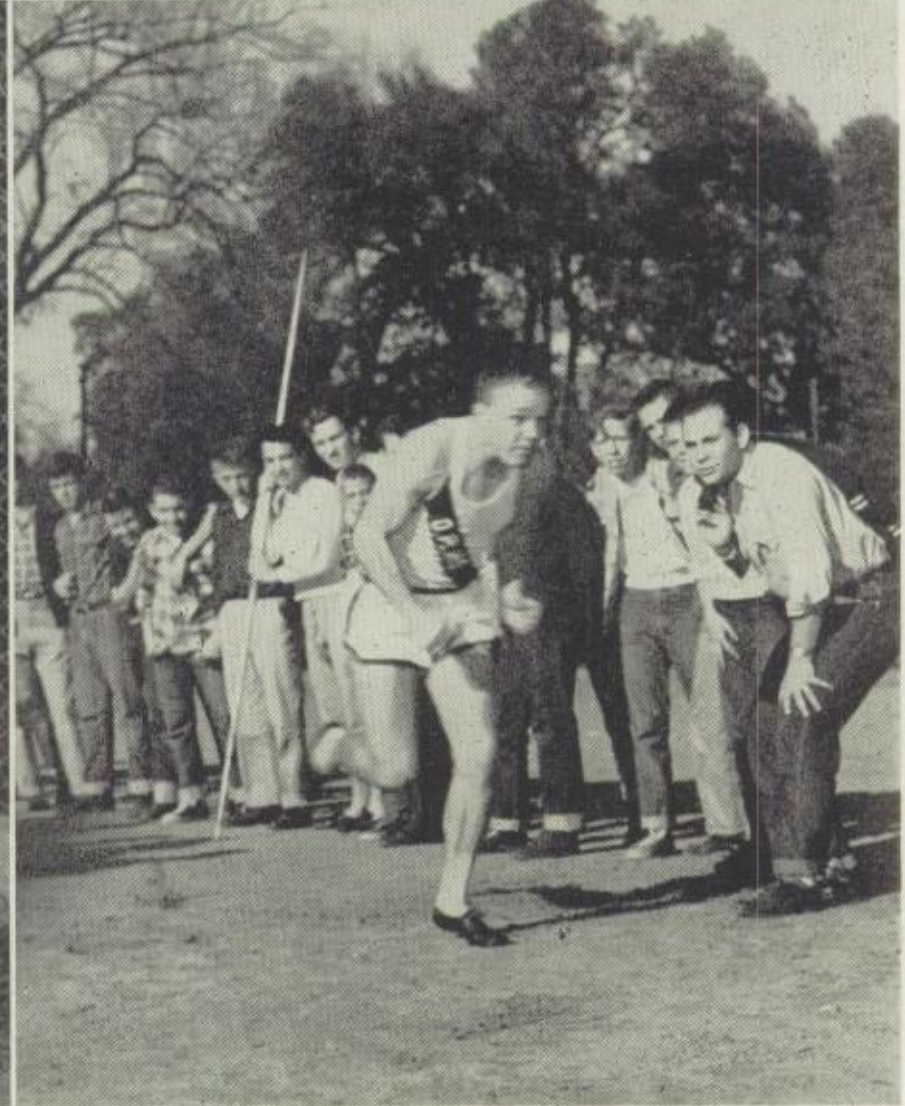

Although it has been only four years since track was revived at Ouachita, interest has grown until now it is one of the major sports at the school. At the close of the season last year the team attended the state rally at Ruston. It was the first time Ouachita had been represented at the state meet for the past six years.

As Coach Johnson opened practice for the '53 season, he found some 90 candidates on hand. With five returning lettermen the team shows much promise for this season.

For the second year an intramural track meet was held on the Northeast Louisiana State College campus.

1953 BASKETBALL

Seated, left to right: James Moore, Bill Shepherd, Steve White, Wayne Chelette, David Powell.

Kneeling, left to right: Will Sam Shatzer, E. C. Roark, Harold Simmons, Walter Bennett, Barney Fuller, Manager Norman Goza.

Standing, left to right: Garry Huckaby, Tommy Sanders, Doyle Holstead, Ed Estep, Larry Barnes, Lytle Matkins, Richard Kincaid.

Herbert Holliman, Coach

Although starting the season with only one returning regular, the Ouachita Parish Cagers, under the direction of Coach H. H. Holliman, surprised everyone as they played fine ball throughout the season to capture the North Louisiana AA championship.

During the 1952-53 season the Lion cagers were winners in 22 of the 30 games played. The conference race was one of the closest in recent years, with the Ouachita team gaining the title in the last game of the season by a 43-35 victory over Bossier City. Ouachita completed an 8 won, 2 lost record in conference play.

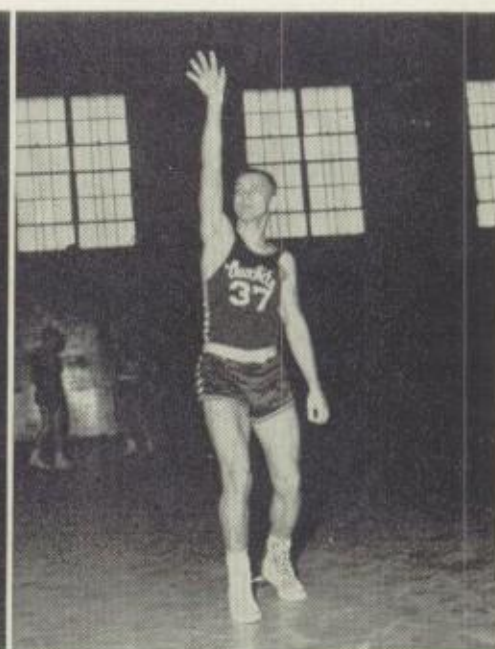

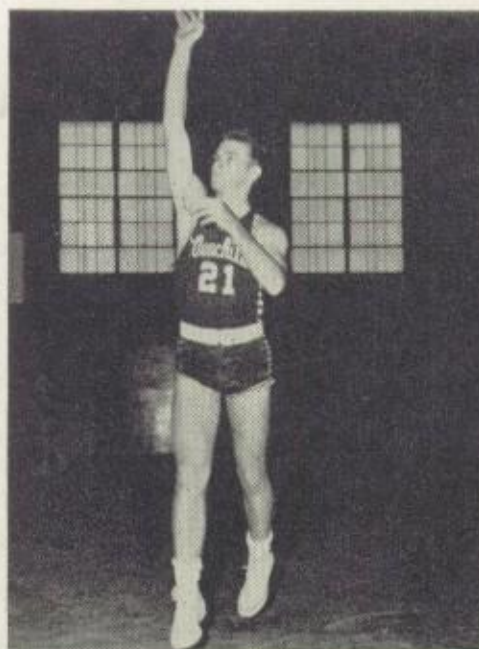

The Ouachita team, lacking the height of teams in recent years, featured a hustling and well-balanced quintet. The Lions sank a total of 1502 points to their opponents' 1286.

Two members of the team, Walter Bennett and Larry Barnes, were honored at the season's end by being selected for the All-Conference team.

The Lion team qualified for state rally which was held March 5 and 6 at Lafayette, but were eliminated by a strong Bolton five, 68 to 57, in the first round of play.

GIRLS' BASKETBALL

MISS MARY LEA GEORGE, *Basketball Coach*

Winning easily over their opponents at the state tournament, the Ouachita girls' basketball team won their second consecutive state AA title.

Coach Mary Lea George showed one of her strongest teams in recent years as the sextet compiled a string of 19 victories against only 4 defeats. The sharp-shooting girls hit the hoops for 1026 points, while holding the opposition to only 755.

Although forced to share the North Louisiana crown with Haynesville, as each team won 5 and lost 1, the girls gained revenge with a 54-46 win over the Tornado in the semi-finals of state play.

Additional honors came to the team as three members of the squad gained berths on the All-State team. Those making the team were Charlotte Brown and Edith Donald, guards, and Joyce Dumas, forward.

Top Row: Lucy Kleinschmidt, Betty Jo Lee, Charlotte Brown, Melba Hill.
Bottom Row: Lael Puckett, Armande McHenry, John Ann Painich, Barbara Farrar.

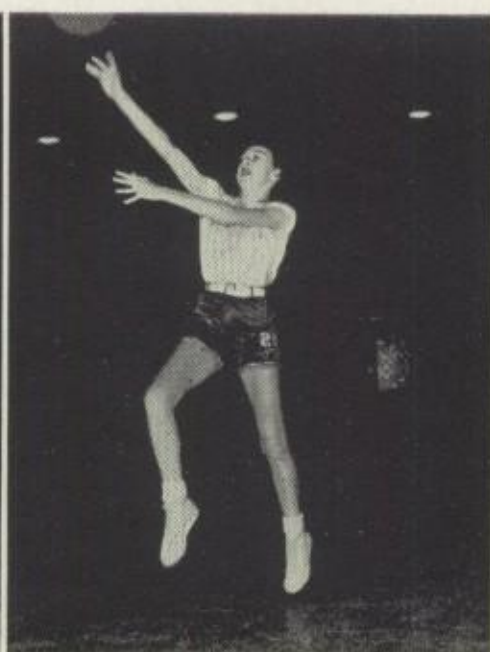

Seated: Virginia Brunson, Charlotte Brown, Joyce Dumas, Jo Ann Whitlock, Melba Hill, Edith Donald.

CHEERLEADERS

The cheerleaders began practice in July this year by attending a cheerleader camp on the S.M.U. campus in Dallas, Texas. This was the first time in the history of Ouachita that cheerleaders had ever attended a camp and, as a reward for the many hours spent practicing, they were named the "Best All-Round Cheerleader Squad."

With new yells and acrobatics they had learned, the cheerleaders returned home with plans to boost the school spirit to new heights.

On the football field they were in the eye of every fan as they kept up the school spirit even in defeat.

Cheering at basketball games was something new to Ouachita's ten cheerleaders this year, but they joined in enthusiastically to lead the teams to victory.

CLYDE FULTON, EDITOR AND BILLY BLAZIER, BUSINESS MANAGER

STANLEY HARRIS, STAFF ARTIST

Stanley, in addition to making all the drawings for the yearbook, has the distinction of being the first Ouachita student ever to design the cover for the Roarer.

The publication of the Roarer is an annual project of the Senior Class of O. P. H. S. The editorial work is done by a staff of seniors carefully selected according to dependability, service, scholarship and leadership.

Finance for the yearbook are handled by the business staff, whose members are selected from those collecting the most money from the sale of advertising.

The members of both the editorial and the business staffs have striven, with aid of their sponsors, to produce an annual that reflects student life at Ouachita, and one that will recall fond memories in the future.

LION STAFF

The Ouachita Lion, which for the past three years has been published by the Journalism Department, is designed to inform and entertain its readers.

The paper, a monthly publication, contains from four to six pages and is edited by a staff consisting of seniors and juniors who have had one or two years of journalistic experience.

In addition to the regular news pages and pictures, the Lion provides a full page feature section which includes timely editorials, short and long feature stories, columns and cartoons. The

"Up and Down the Halls" column, which contains news from the various homerooms, is a project of the Homeroom Reporters' Club, and many students find their names included in each issue.

A sports page with complete coverage of current sports news, columns and pictures is included in each issue.

A self-supporting enterprise, the Lion is financed by subscriptions and advertising. The business staff is made up of students, not necessarily from the Journalism Department, interested in selling ads or working on circulation.

O.P.H.S. band furnishes music for school program

One of the football team's staunch supporters, the band provides music for every game and presents a colorful show during halftime.

Besides marching in the homecoming and the Neville parades, the group participated in the annual Holiday in Dixie parade which was held in Shreveport this year.

Among the outstanding activities of the band are the annual Christmas and spring concerts which are held to secure funds for the organization.

Climaxing another year of concerts, parades, football performances, and festivals was the invitation received by the O.P.H.S. band to attend the Cotton Carnival in Memphis for the second consecutive year.

The Ouachita Parish High School choir has obtained the reputation for being one of the finest high school choral groups in the United States. This year's activities were highlighted by a three-day tour of South Louisiana. They

also presented concerts at Southwestern Louisiana Institute and participated in various festival activities at Louisiana Tech.

All choral groups at Ouachita are directed by Miss Ramona Cormier.

Climaxing their varied schedule of public performances, both at school and throughout the city and state, Ouachita's talented mixed ensemble was selected by the American Red Cross to make recordings of American folk

songs to be exchanged with the music departments of foreign countries. This was a distinct honor in that only a few schools in the United States were selected for this good will project.

MIXED ENSEMBLE

GIRLS' ENSEMBLE

The girls' ensemble has also had an active year. Their performances for civic club programs and luncheons, featuring popular and semi-classic numbers, were received with much enthusiasm. A further expression of their versatility was demonstrated at District Music Festival, when, in addition to their ensemble work, they participated in superior solo and trio activities.

Left to right: June Alexander, Shirley Tousinau, Shirley Wills, Terri Fields, Janet Cash, Sarah Batton, Sara Cloud, and Geraldine Weir.

BOYS' ENSEMBLE

The enthusiastic reception that always greets this snappy group of singers is an obvious indication of the wide-spread popularity of their renditions of favorite spirituals and novelty numbers. The boys' ensemble has taken its share of the lime-light in most of the musical activities of the three ensembles, and has proved a special favorite with the Ouachita student body.

Together with the girls' ensemble they made several state-wide musical broadcasts, but for the most part of the year they joined with the girls to do mixed ensemble work.

Each year the Junior Class elects delegates to attend Girls' and Boys' Pelican State on the L. S. U. Campus in Baton Rouge. The purpose of these sessions is to give Louisiana boys and girls an opportunity to study and then put into practice, on a small scale, the duties performed by our state government.

Last summer Pelican State was cancelled because of the polio epidemic in the Baton Rouge area.

LEADERSHIP

Joan Malone, library; Joan Amos, journalism; Anna Beth Lewis, speech; Billie Parsons, journalism.

Leadership representatives of O.P.H.S. spent eight jam-packed days on the L.S.U. campus last summer. They attended leadership classes, published a conference newspaper, toured the Baton Rouge Times building and visited the Baton Rouge Library and the State Library.

Time between meetings and other conference business was filled with swimming sessions in the L.S.U. pool, a picnic, square dancing, a banquet, and presenting three one-act plays.

The groups were also entertained by an aquacade show presented by L.S.U. students.

(Not shown is Anne Berry, secretary.)

The Jack Hayes Chapter of the National Honor Society holds a place of high esteem at Ouachita for the many services it has rendered during its five years of existence.

Membership in this organization is based upon scholastic ability as well as upon the individual's character, leadership, and service to the school.

A student who has maintained an average of "B" with no term grade below 85 becomes eligible for membership after the first half of his junior year. All seniors with a similar average are eligible.

This year 38 members, 17 seniors and 21 juniors, were inducted.

Activities for the year include such projects as publishing the Student Directory and sponsoring the annual Valentine booth.

Founded upon the principle that participation through service is an effective educational method, the Library Club is one of the most active organizations at Ouachita.

A desire to know the library better and to help broaden its services are two of the most important qualifications for membership.

With the purchase of new movie equipment by the library, the need for boys to operate the projectors and heavy equipment was felt. This year for the first time in its history, boys were inducted into the club.

Together with the girls they have all gained valuable information and training in library work..

JEFFERSONIAN CLUB

The Jeffersonian Club is not only one of the largest at Ouachita, but is also one of the most active. Since the club's primary purpose is training for citizenship, its members perform many helpful services for the school as well as for the community and foreign countries.

In past years the organization has sent clothes and shoes to Korea, and books to wounded soldiers in Japan.

This year the club sent money to flood-ravaged Holland, and, as its local project, presented a portrait of Thomas Jefferson to the school.

LIONETTES

Supporting the football team, sponsoring the annual football banquet, marching at games and parades, and publishing the football program are but a few of the many activities of the Lionettes, Ouachita's pep squad.

Composed of sophomore, junior, and senior girls with an 86 average, this organization performs invaluable services to the community as well as to the school.

This year's community projects included participation in sales on Poppy Day, Easter Lily Day, ringing bells for the Salvation Army at Christmas, aiding the Heart Fund drive, and ushering at Little Theater.

One of the highlights of the past season was the trip to the L.S.U. Homecoming game in Baton Rouge as guests of the university.

KEY CLUB

Sponsored by the Monroe Kiwanis Club, Ouachita's Key Club is an active service organization of the school.

This year the club sponsored a "Be Courteous to Your Fellow Students" contest and gave a Christmas party for the children at the Louisiana Baptist Children's Home. The club also sponsored a Key Club-faculty basketball game, a highlight of Ouachita's activity program. Proceeds from the game were used to help finance the club's service projects.

To become a member of the club, a boy must have a high scholastic rating and must be recommended by the faculty.

LATIN CLUB

The Latin Club, formed for the study of the customs and languages of the Ancient Roman Empire, is composed of all second-year Latin students and those first-year students who have a "B" average for the first semester.

This year the club became affiliated with the Junior Classical League, a national organization whose purpose is to encourage high school students to be interested in and appreciate the languages, literature, and art of old Greece and Rome, and to give them an understanding of the debt of our own culture to that of classical antiquity.

Sally Hayes, president; Jo Ann Gibson, secretary-treasurer; Joyce Clark, reporter; Lynn Merriman, vice-president.

SPANISH CLUB

For those students interested in Spanish, "La Granadina" proves an ideal organization. A first-year Spanish student maintaining a 90 average for the first semester is eligible for membership. All second-year Spanish students are automatically members of the club.

Singing carols in Spanish, and breaking the pinata are highlights of the Christmas season for "La Granadina."

To conclude the year's activities, the club holds an annual Mexican supper on the banks of Bayou DeSiard.

One of the group's service projects of 1953 was painting a mural for the halls on which is pictured the activities of the school.

OFFICERS

Sammie Camp, president; Lazane Frazier, secretary; Peggy Rawls, treasurer; Rodney Cannon, vice-president.

Composed of drama students who maintain an 86 average, Ouachita's Curtain Call Club attracts those interested in dramatics and theater work.

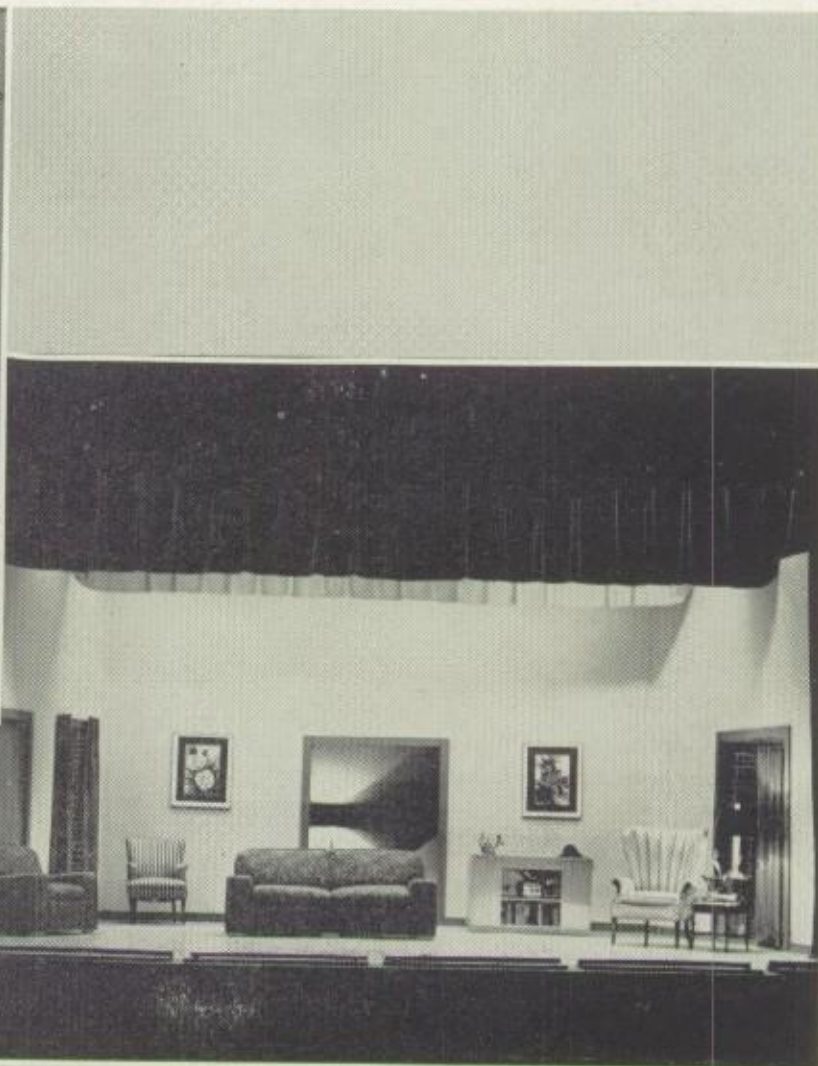

Although organized only last year, the club has a membership of approximately twenty-five members.

Constructing the set for the senior play occupied the senior members this year, while the entire club helped paint the back-stage dressing rooms. Members also attended Little Theater productions as a group, enjoyed make-up demonstrations by a local make-up artist, and participated in two regular radio programs, "Teen Talk and Tune Time" and "School Hi-Lites."

DISTRIBUTIVE EDUCATION

The Distributive Education program is a cooperative part-time training program covering all the various phases of work involved in moving goods and services from the producer to the consumer. It involves a cooperative relationship between the school and the retailers and wholesalers of a community whereby boys and girls sixteen years of age or older may secure training for worthwhile careers in retailing and other distributive occupations.

The students attend school in the mornings, taking a distributive education class and other high school subjects; they are placed in part-time employment for directed work experience in the afternoons. Instruction in the distributive education class is correlated with the work experience phases of the training program.

The local distributive education club is an organization of those students enrolled in the distributive education classes. The Distributive Education Club of Ouachita Parish High School is a charter member of the Distributive Education Clubs of Louisiana and of America.

YOUR success as a student is a personal triumph that can never be erased by time, if you will make every effort to utilize constructively the knowledge you have gained throughout your school years. Text-book facts take on value only when you apply them to the principles of good citizenship and honest ambition. When you have done this, you will find the future equally generous with success . . . equally prepared to give personal satisfaction as a reward for genuine effort.
